## VORTEX ROBOTIC POOL CLEANERS — FOR THE ULTIMATE CLEAN

### Zodiac Vortex Robotic cleaners feature:

World's first pool robot patented with Vortex Technology, enabling powerful and continuous cyclonic suction throughout the cleaning cycle. The Vortex effect creates an immensely powerful whirlpool inside the filter for uncompromised vacuum power.

- Vortex Technology for powerful and constant cyclonic suction throughout the cleaning cycle
- Easy to empty large capacity debris canister for simple debris removal
- Requires fewer filter cleanings by efficiently collecting and depositing debris for reduced maintenance time
- Rear water propulsion system blows debris off of stairs and out of tight corners
- Highly efficient operation. Costs just pennies per day to operate

- ActivMotion Sensor™ automatically senses position and adapts cleaning path for optimized cleaning and prevents cord from getting tangled. Featured on the Vortex 4 and Vortex 3.

#### Vortex Technology

Powerful cyclonic suction to capture maximum debris without vacuum loss.

#### Easy Access Filter Canister

Simple filter cleaning. Just one click to remove canister.

#### User Friendly Filter Canister

Hassle free canister cleaning. No need to touch messy debris.

## VORTEX 4

- Vortex Technology for powerful and constant cyclonic suction throughout the cleaning cycle
- Wireless remote for ultimate control of the cleaner
- Pre-programed or customized cleaning modes
- Extra-wide suction intake to ingest all types of debris
- Aggressive solid blade contact and high-speed brushes for maximum scrubbing right up to the tile line

## VORTEX 3

- 1st pool robot patented with Vortex Technology, enabling powerful and continuous cyclonic suction throughout the cleaning cycle
- The Vortex effect creates an immensely powerful whirlpool inside the filter canister for uncompromised suction
- Choice of 2 cleaning cycles: Pool floor mode (1.5 hrs) and bottom & walls mode (2.5 hrs)
- High-speed brushes for excellent scrubbing action

## VORTEX 1

- Vortex Technology for powerful and constant cyclonic suction throughout the cleaning cycle
- Easy to use, transport and install with plug-in convenience and one-touch operation
- Cleans pool floor and cove quickly and efficiently
- Quick release canister can be removed with the press of a button

## Efficiency and Convenience

Zodiac® Robotic Debris Load Advantage

Vortex Vacuum Technology allows Zodiac Robotic Cleaners to capture over 4 times the debris load of other cleaners. Reduces filter cleanings by up to 70%, so it keeps working where other robotic cleaners can't.

Zodiac Robotic cleaners can reduce energy consumption nearly 90%.
